

Agenda

National Earthquake Prediction Evaluation Council (NEPEC)

October 16-17, 2006, University of California, Riverside

Bourns Hall (Engineering Building II), Rm. 206

Monday, October 16th

Open Session

10:30am Objectives, announcements, logistics Jim Dieterich, Dave Applegate

10:45 Discussion of "Terms of Engagement" document Dave Jackson & NEPEC

Noon Lunch

1:00pm Regional Earthquake Likelihood Methods project (RELM),
update on models and testing methods Dave Jackson

1:45 Open Discussion

2:30 Break

Executive Session

2:45 FACA, ethical and legal guidelines Nancy Baumgartner

~5:30 Adjourn

Tuesday, October 17th

Open Session

8:30 Collaboratory for Study of Earthquake Predictability (CSEP) Tom Jordan

9:00 Working Group on California Earthquake Probability – progress to date

- WGCEP status and view from the MOC Tom Jordan
- SRP review; status of long-term rate model Bill Ellsworth
- Deformation model, faults and geologic inputs Chris Wills
- Seismicity rate constraints Karen Felzer
- Hazard map perspective; CA hazard map workshop Mike Reichle

Mid-morning: Ongoing Superstition Hills Fault creep sequence Ken Hudnut

11:30 Open Discussion, action item summary, planning for PNW workshop

12:00 Adjourn

*[An interval for public comments will be added if advance requests are made to the
Chairman or Executive Secretary.]*

MEETING PARTICIPANTS

NEPEC:

Dr. Jim Dieterich, University of California, Riverside (Chair)
Dr. Dave Applegate, USGS, Reston (Co-chair)
Dr. Göran Ekström, Columbia University {by phone}
Dr. William Ellsworth, USGS, Menlo Park
Dr. David Jackson, University of California, Los Angeles {Monday only}
Dr. Barbara Romanowicz, University of California, Berkeley
Dr. Bruce Shaw, Columbia University
Dr. Wayne Thatcher, USGS, Menlo Park
Dr. Jeroen Tromp, California Institute of Technology {will not attend}
Dr. Robert Wesson, USGS, Golden {by phone, Monday only}
Dr. Mary Lou Zoback, USGS, Menlo Park

Dr. Michael Blanpied, USGS, Reston (Exec. Sec'y)

Invited Speakers:

Dr. Mike Reichle, California State Seismologist and CEPEC Vice-Chair
Dr. Chris Wills, California Geological Survey, WGCEP ExCOM member
Dr. Tom Jordan, SCEC Director and WGCEP MOC Chairman
Dr. Ken Hudnut, USGS, Pasadena
Dr. Karen Felzer, Mendenhall Postdoctoral Fellow, USGS, Pasadena
Nancy Baumgartner, USGS Deputy Ethics Counselor

Meeting Assistance:

Joslyn T. Chaiprasert-Paguio, University of California, Riverside
Joyce Costello, USGS, Reston
